

Course Information

Description

The Pathways4Kids Pediatric Clinical Pathways Conference brings together children's hospitals from across the country to share innovations, challenges, and lessons learned in pediatric clinical pathway development. This inaugural event is designed to foster collaboration, highlight practical tools and strategies, and inspire action to improve care delivery and outcomes for kids. Join us as we learn from one another and chart the future of pathways together.

Target Audience

This event is for pediatric clinical pathways teams who develop, approve, implement and review pathways.

Conference Objectives

After attending this activity, the learner will demonstrate the ability to:

- Describe approaches to selecting and communicating metrics for pediatric clinical pathways.
- Explain strategies to translate evidence into practice, including integration into clinical workflows.
- Apply principles of implementation to strengthen pathway adoption and improve pediatric outcomes.

Accreditation

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Johns Hopkins University School of Medicine, Florida Board of Nursing and Pathways4Kids. The Johns Hopkins University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The Johns Hopkins University School of Medicine designates this live activity for a maximum of **12 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Policy on Presenter and Provider Disclosure

It is the policy of the Johns Hopkins School of Medicine that the presenter and provider globally disclose conflicts of interest. The Johns Hopkins School of Medicine OCME has established policies in place to identify and mitigate relevant conflicts of interest prior to this educational activity. Detailed disclosure will be made prior to presentation of the education.

OTHER CREDITS

The Florida Board of Nursing has approved this course for Nursing Contact Hours, awarded by Johns Hopkins All Children's Hospital. Florida Board of Nursing Provider #50-2821

American Academy of Nurse Practitioners National Certification Program accepts **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME.

American Nurses Credentialing Center (ANCC) accepts **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME.

National Commission on Certification of Physician Assistants (NCCPA)

PAs may claim a maximum of 20 Category 1 credits for completing this activity. **NCCPA** accepts **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME or a recognized state medical society.

Johns Hopkins Statement of Responsibility

The Johns Hopkins School of Medicine and Johns Hopkins All Children's Hospital take responsibility for the content, quality, and scientific integrity of this CME activity.

Copyright

All rights reserved - The Johns Hopkins School of Medicine. No part of this program may be used or reproduced in any manner whatsoever without written permission except in the case of brief quotations embodied in articles or reviews.

Disclaimer Statement

The opinions and recommendations expressed by faculty and other experts whose input is included in this program are their own. This activity is produced for educational purposes only. Use of Johns Hopkins School of Medicine name implies review of educational format design and approach. Please review the complete prescribing information of specific drugs or combination of drugs, including indications, contraindications, warnings and adverse effects before administering pharmacologic therapy to patients.

Notice About Off-Label Presentations

The Johns Hopkins School of Medicine/Johns Hopkins All Children's Hospital 7th Annual Pediatric Brain Symposium may include presentations on drugs or devices, or use of drugs or devices that have not been approved by the Food and Drug Administration (FDA) or have been approved by the FDA for specific uses only. The FDA has stated that it is the responsibility of the physician to determine the FDA clearance status of each drug or device he or she wishes to use in clinical practice.

The Johns Hopkins School of Medicine is committed to the free exchange of medical education. Inclusion of any presentation in this program, including presentations on off-label uses, does not imply an endorsement by Johns Hopkins of the uses, products, or techniques presented.

Americans with Disabilities Act

Johns Hopkins All Children's Hospital and Johns Hopkins School of Medicine fully comply with the legal requirements of the ADA and the rules and regulations thereof. *Please notify us if you have any special needs.*

What You Should Know About Gifts to Physicians from Industry

Gift giving from the pharmaceutical, device and medical equipment industries to physicians has long been a customary practice. However, when gift giving is not practiced within established ethical boundaries, the perception of conflict of interest is raised. All physicians and physicians in training should adhere to the AMA Code of Medical Ethics, Opinion 9.6.2, "Gifts to Physicians from Industry" which can be found under the AMA Code of medical Ethics at www.ama-assn.org/delivering-care/ethics/gifts-physicians-industry.

Interactions with Industry

Johns Hopkins faculty, staff, employees, students, and trainees must adhere to the more restrictive Johns Hopkins Medicine Policy on Interaction with Industry that can be found on HopkinsMedicine.org by clicking Research>Resources>Offices and Policies>Office of Policy Coordination>Policies & Regulations>Interaction with Industry or directly through this link: www.hopkinsmedicine.org/research/resources/offices-policies/OPC/Policy_Industry_Interaction/.

Instructions to Receive Credit

In accordance with our accreditation guidelines, we have instituted a self-reporting system to obtain your credit. Attendees must attest to the exact number of hours that they have been in attendance. Claiming credits will be required on the online post-activity evaluation that will be emailed to you shortly following the conference. The evaluation must be completed by March 31, 2026 for you to receive credit. **After March 31, 2026, no credit can be granted for attendance.**

Date	Maximum Approved Hours
February 9, 2026	6.5
February 10, 2026	5.5

Evaluation and Outcomes Survey

Evaluation

Evaluations are very helpful to us in planning future programs, and we appreciate your comments and suggestions.

Outcomes Survey

An Outcomes Survey will be sent to all learners within three months after the conference to assist us in determining what impact this activity had on your clinical practice.

CONFIDENTIALITY DISCLAIMER FOR CME CONFERENCE ATTENDEES

I certify that I am participating in a Johns Hopkins School of Medicine CME activity for accredited training and/or educational purposes.

I understand that while I am participating in this capacity, I may be exposed to "protected health information," as that term is defined and used in Hopkins policies and in the federal HIPAA privacy regulations (the "Privacy Regulations"). Protected health information is information about a person's health or treatment that identifies the person.

I pledge and agree to use and disclose any of this protected health information only for the training and/or educational purposes of my visit and to keep the information confidential. I agree not to post or discuss this protected health information, including pictures and/or videos, on any social media site (e.g. Facebook, Twitter, etc.), in any electronic messaging program or through any portable electronic device.

I understand that I may direct to the Johns Hopkins Privacy Officer any questions I have about my obligations under this Confidentiality Pledge or under any of the Hopkins policies and procedures and applicable laws and regulations related to confidentiality.

The contact information is: Johns Hopkins Privacy Officer, telephone: 410-614-9900, e-mail: HIPAA@jhmi.edu.

"The Office of Continuing Medical Education at the Johns Hopkins School of Medicine, as provider of this activity, has relayed information with the CME attendees/participants and certifies that the visitor is attending for training, education and/or observation purposes only."

For CME Questions, please contact the Johns Hopkins All Children's CME Office (727) 767-8584 or email achcme@jhmi.edu.

Disclosure Policy Affecting CME Activities

As a provider approved by the Accreditation Council for Continuing Medical Education (ACCME), Johns Hopkins University School of Medicine Office of Continuing Medical Education (OCME) requires attested and signed global disclosure of the existence of all financial interests or relationships with ineligible companies from any individual in a position to control the content of a CME activity sponsored by OCME.

No one in a position to control the content of this educational activity has disclosed a relevant financial interest or relationship with ineligible companies. All relevant conflicts of interest have been mitigated prior to the commencement of the activity.

Please note: Grants to investigators at Johns Hopkins University are negotiated and administered by the institution, typically through the Office of Research Administration. Individual investigators participating in sponsored projects are not directly compensated by the sponsor; instead, they may receive salary or other support from the institution to facilitate their work on the projects.
